SECTION-I - IFB

INVITATION FOR BID

BANGALORE ELECTRICITY SUPPLY COMPANY LIMTED, Corporate Office, K.R. Circle, Bangalore-560 001 invites Electronic Bids from eligible Bidders for the Work mentioned below, under Competitive Bidding for **Preventive and Breakdown maintenance of all makes of DAS and Non DAS RMUs of all configurations in East Circle area of BESCOM for a period of one year (Extendable upto one year) on Total Turnkey percentage quoting basis** against enquiry number:

BESCOM/2025-26/EL/WORK_INDENT920

1.0 INTRODUCTION:

The Chief General Manager (Ele.,), Procurement, Corporate Office, BESCOM, 2nd floor, K.R. Circle, Bangalore-560001 on behalf of Bangalore Electricity Supply Company Limited, invites tender vide Enquiry **No: BESCOM/2025-26/EL/WORK_INDENT920** in two tender document system (Techno Commercial Bid and Price Bid) through e-procurement portal (www.eproc.karnataka.gov.in) for Preventive and Breakdown maintenance of all makes of DAS and Non DAS RMUs of all configurations in East Circle area of BESCOM for a period of one year (Extendable upto one year) on Total Turnkey percentage quoting basis against enquiry number.

1. Enquiry No.	**BESCOM/2025-26/EL/WORK_INDENT920**
2. Tender processing fee	**Refer e-procurement website www.kppp.karnataka.gov.in**
3. Earnest Money Deposit	**Rs.13,06,000/-**
4. Bid documents available from	**From 11.02.2026 from 17.00 Hours Onwards**
5. Due date for submission of Bids	**12.03.2026 up to 17.00 Hours**
6. Tender System	**Two tender document system**
7. a) Date of opening of Techno commercial bid b) Date of opening of Price Bid	a) **13.03.2026 at 17.15 Hours** b) Will be opened in e-procurement portal after completion of Techno commercial bid evaluation.
8. Name of the Work	Preventive and Breakdown maintenance of all makes of DAS and Non DAS RMUs of all

	configurations in East Circle area of BESCOM for a period of one year
9. No. of RMUs	**5790 Nos.**
10. Period of Contract	**The Contract is valid for a period of 12 months from the date of issue of award and further extendable for one more year at the discretion of BESCOM.**
11. Price Bid	The Bidders shall quote the item wise unit FORD price / labour charges inclusive of all taxes, duties and statutory charges against each item in the Price Schedule of the e-procurement portal in the option of ''item wise bid commercial offer''.
12. ***Aprox. Amount put to tender***	**Rs. 1305.11 Lakhs**

1.1 PROJECT DESCRIPTION:

1.1.1 RMUs of different make of about 5790 Nos. are installed in the 11kV distribution network in East Circle area of BESCOM. These RMUs are important and essential equipment in the network. Faults and failure of RMUs will cause undesirable interruptions to significant and large number of consumers connected from the RMUs in the network.

Bangalore Electricity Supply Company Limited (BESCOM) intends to engage Firms to carry out preventive maintenance of RMUs as scheduled as well as breakdown repairs as required in East Circle area of BESCOM. The key objective for engaging is to avoid failure of RMUs with routine scheduled preventive maintenance works and in case of breakdown of RMUs the problems are rectified as soon as possible reducing the down time.

1.1.2 BESCOM intends to appoint experienced Firms for carrying out scheduled Preventive Maintenance and Breakdown Maintenance, works on RMUs as detailed in scope of works for the following Divisions coming under jurisdiction of East circle:

i. Vidhanasoudha
ii. Indiranagar
iii. Shivajinagar
iv. Whitefield

1.1.3 General Statistics

The Division wise quantity of RMU Panel i.e., 3 way RMU Panel or 4 way RMU Panel or 5 way RMU panel etc., of different make installed in East circle area are as below:

Abstract showing the details of RMUs in East circle area			
Sl. No	**Circle**	**Division**	**Quantity**
1	East	Vidhanasoudha	1015
2		Indiranagar	1563
3		Shivajinagar	1466
4		Whitefield	1746
Total			**5790**

Note: The quantity mentioned above is only indicative and may vary, as new RMUs are being added to the system. The successful Bidder has to carryout preventive maintenance works to all the RMUs existing in the system.

1.1.4 The contract for RMU maintenance shall be for a period of one year and further extendable for one more year period at the discretion of BESCOM.

1.1.5 This project envisages to improve the quality of power supply to the consumers and to mitigate the following issues:

- As many as 5790 Nos. of RMUs are existing in East Circle area distribution network, due to continuous operation of the distribution network grid, RMUs which are a part of the grid tend to fail for various reasons, in such a situation power supply is affected to significant and large number of consumers. To arrange the power supply to the affected areas in the minimum possible time, a well-established crew is very much necessary to attend such abrupt power supply interruptions.
- For each and every fault that occur in a RMU, it becomes very difficult to find the Manufacturer of RMU and to award the work for attending the trouble in the RMU as it consumes a lot of time in attending the fault.

- As long as the trouble in the RMU is not attended well within the time, revenue from consumers to that extent of period is affected and also the reliability is also affected to that extent of period.

1.2 NATURE OF WORKS:

It is proposed to carry out annual preventive maintenance on all the existing RMUs and breakdown maintenance as and when the breakdown occurs. The successful agency has to carry out both preventive and breakdown maintenance on all type/configuration of RMUs at the accepted rates irrespective of the make of the RMUs.

In the event of minor breakdown and major breakdown the successful agency has to restore the power supply within 6 hours and 24 hours respectively from the time of issuance of Line Clearance by the Field staff.

1.3 PROJECT BENEFITS:

BESCOM has to take up both preventive and breakdown maintenance on all type/configuration of RMUs irrespective of the make of the RMUs in BMAZ area. Many of the breakdown works are unforeseen and some of the breakdown works will have to be taken up at short notice in addition to regular preventive maintenance works.

Benefits are as follows:

- Better quality and reliability of power supply to the consumers.
- During the entire period of the maintenance Contract there will be a uniform fixed item rates across the Circle.
- The repair works can be taken up immediately after the issuance of Line clear for scheduled Preventive Maintenance or whenever breakdown occurs.
- Monitoring of the preventive and breakdown maintenance becomes simpler and easier.
- There will be drastic reduction in power supply interruptions caused due to failure of RMUs.

1.4 SCOPE OF WORK:

The Scope of the work under this tender is **preventive and breakdown maintenance of all makes of DAS and Non DAS RMUs of all configurations in East Circle area of BESCOM for a period of one year on Total Turnkey percentage quoting basis** which includes spares required for preventive and breakdown maintenance on FOR Destination to Site basis, Transportation, Insurance, Storage, Handling and moving into the final position, Erection /fixing of spares, Testing at Site and commissioning of RMUs / spares after repairs including any other related works.

The salient features of the scope include, but not limited to the following:

a) Overall Project Management of preventive and breakdown maintenance of all makes of DAS and Non DAS RMUs of all configurations in East Circle area of BESCOM for a period of one year on Total Turnkey percentage quoting basis, Coordination.

b) The successful Bidder shall engage sufficient number of RMU Preventive maintenance teams and RMU Breakdown maintenance teams headed by a qualified Engineer having experience in erection & commissioning / repair / rectification of faults in RMUs / 11kV Switchgears and each of these teams shall be assisted by the sufficient number of mechanics / skilled labourers having experience in erection & commissioning / repair / rectification of faults in RMUs / 11kV Switchgears.

c) The successful Bidder shall make necessary vehicle arrangement required for commutation and transportation of men and materials. No separate charges will be paid for this.

d) The successful Bidder shall ensure to complete the preventive maintenance as per schedule and also ensure to attend RMUs breakdown, so that RMUs shall be kept healthy all the times.

e) void.

f) The successful Bidder shall ensure availability of sufficient spare parts of all makes of RMUs at all the times.

g) In the event of any interruption of supply, consequent to the trouble in the RMU, the successful Bidder shall take necessary measures to repair the RMU immediately and to restore the power supply within

6/24 hours from the time of issuance of Line Clearance by field staff for minor/major breakdowns.

h) The successful Bidder shall establish a site store at his own cost where the RMUs spare parts are stored, which are readily available for the repair / rectification of faults in the RMU.

i) RMU's shall be taken up for annual preventive maintenance as defined below:

   i. All the RMUs existing in the field shall be cleaned and kept neat ensuring that it is vermin proof.
   ii. Checking for mechanical and electrical operation of opening and closing of Circuit Breaker and repair if needed.
   iii. Mechanical Critical setting and adjustment shall be done.
   iv. Lubrication of mechanical critical part of circuit breaker.
   v. Lubrication of spring charging mechanism.
   vi. Alignment of doors.
   vii. Checking of operation and Physical healthiness of switches, Indication Lamps, auxiliary relays, meters etc.,
   viii. Inspection of closing & tripping coil condition and gap setting, to replace in case of fault.
   ix. Visual Inspection for wear & tear and rectify, if any.
   x. Check to know whether there are any loose contacts leading to hot spots and rectify if any.
   xi. Test insulation resistance – using 5kV Megger
   xii. Measurement of Earth resistance.
   xiii. The insulators should be checked with relevant instrument.
   xiv. Sensitivity of relays to be ensured duly taking inputs from field staff as required and measurement of operating time.
   xv. Any defects identified during inspection or any other maintenance works as suggested by the Engineer in charge shall be taken up on priority.

j) The Project Manager of the Bidder is the single point of contact between Bidder and BESCOM, who has to arrange the teams for preventive maintenance and break down maintenance in coordination with BESCOM officials.

k) The line clears required for carrying out the preventive maintenance on RMUs are to be planned, well in advance under the chairmanship of Executive Engineer of the concerned O&M Division in consultation

with the Project Manager and the Assistant Executive Engineer/Assistant Engineer of the concerned Sub-Divisions. The field officers should ensure to complete annual maintenance of all the RMU's existing in field by arranging the required Line Clear. The Agency shall not be made responsible for non-issuance of line clears on time.

l) The successful Bidder shall ensure proper earthing of RMUs and proper earthing needs to be provided to the RMUs, wherever required.

m) The successful Bidder shall detect the leakage of SF6 gas with their own equipments, the SF6 gas levels should be checked if the gas pressure is within the permissible limits. If required, topping up of SF 6 GAS should be done up to the required level. If pressure of SF6 gas is not maintained even after topping up, then problem might be due to faulty manometer or due to cracks in the SF6 gas tank. Then such cases are to be considered under breakdown maintenance and fault is to be rectified using required spares.

n) **Consumables** includes Connecting wires, Washers, bushing studs, Bolts & Nuts, Grease, terminal Block, lugs, ferrules, cable glands **and minor spares** includes Tripping coils, closing coils, terminal coils, switches, indicating lamps/switches, push buttons, operating handles/spring charging handle, shafts, Operating counter, MCBs, Fuses, Panel Lamps, metering CT brackets, Door limit switch/limit switch, power sockets, over current coils, indication plate, spring charge/ mechanical indicator, ON/OFF indicators, Door shock absorbers, coil mounting plates, surge arrestor, pressure switch, panel lock etc., The Bidder should quote cost towards consumables and minor spares and this cost is to be claimed once annually whenever the preventive maintenance is carried out on the RMU and the Bidder has to provide these consumables / minor spare parts without any extra cost irrespective of number of replacements annually, even if provided during breakdown maintenance.

o) The successful Bidder shall maintain the aesthetic of RMU by applying 2 coats of good quality Synthetic enamel paint after cleaning and scrapping the surface at places in flashover RMUs. The details and

literature of various components of the RMU's shall be provided to the Chief General Manager (Ele.,), Procurement, the Superintending Engineer(Ele.,), C, O&M East Circle, BESCOM and the Executive Engineer (Ele.,), O&M/MT Division, **BMANZ**.

p) The successful Bidder shall procure and supply all the major spares from the BESCOM approved vendors / OEM of RMUs or vendors of OEM or equivalent.

q) Any injury or loss to the life of human being/animals or damages to any Government/private property during the execution of work shall be on the account of successful Bidder and has to make good the damages, claims arising out of injury or loss to the life or damages shall have to be borne and settled by the successful Bidder.

r) It is the responsibility of the successful Bidder to carry out work in safe manner and at most utilization of safety equipment's.

s) The successful Bidder has to abide by the prevailing standard safety policy.

t) The Working area shall be barricaded properly with MS barricading sheets. This is required for the safety of the traffic and the pedestrians. The successful Bidder shall be the responsible for any mishap which may occur on account of its not taking necessary precautionary measures. The barricades shall be fixed at work place before execution of the work. Required information regarding the work as specified shall be written on these barricading sheets.

u) All the necessary equipments/materials shall be supplied by the awarded agency in accordance to the requirement of the work from time to time.

v) The payment will be made only for the quantity used.

w) The equipments / materials supplied by the successful agency should be guaranteed for satisfactory performance as per the Guarantee Clause 15 of Section GCC i.e., **The guarantee for the spares utilized shall be for a period of 12 (twelve) months from the date of commissioning of the material.**

x) All the materials / spare parts required for replacement purpose shall be sourced by the successful Bidder himself.

y) The components/spare parts replaced shall be of same make and specification. If the components/spare parts are not available, then prior approval from the Chief General Manager (Ele.,), Procurement, BESCOM shall be obtained before replacing.

z) The Schedule of materials furnished in the Price schedule are indicative for nature of preventive / breakdown maintenance works, it shall not be presumed that only these indicative materials are only to be supplied and utilized for the maintenance of RMUs. The estimates shall be prepared in most economical and safe way of executing the preventive / breakdown maintenance works as per the prevailing standards and any deviation from the standard practice; necessary approval from competent authority is to be obtained.

aa) Inspection call letter for the materials to be sourced from the manufacturers/BESCOM approved vendors shall be given to The Chief General Manager (Ele.,), Procurement, BESCOM, who in turn shall arrange to get the spare parts materials inspected at the OEMs/site stores and on acceptance of the materials, dispatch instructions will be issued so that materials/ spare parts are procured and stored at the site stores of the Bidder.

bb) After inspecting the failed RMU the Engineer in charge in coordination with team head has to decide if the breakdown is major or minor and the breakdown maintenance team shall immediately rectify fault within 6/24 hours from the receipt of line clear.

cc) Any other items of work not specifically mentioned, but which are essentially required for satisfactory performance & completeness of the maintenance contract / works shall be deemed to be included in the scope of works and the same shall be executed/carried out by the successful Bidder.

dd) The successful Bidder shall arrange for operational tools and tackles at his own cost.

ee) If any of the spare parts /components replaced during the Preventive/ Breakdown maintenance of RMUs, fails within the guarantee period then such shall be replaced at free of cost by the selected Bidder and if the breakdown of RMU happened due to the failure of component/

spare parts replaced during the Preventive/ Breakdown maintenance of RMUs then in that case Breakdown maintenance charges will not be claimed by the Agency as the fault was due to the poor workmanship or poor quality of the spares used by the Agency.

1.5 <u>Rates for awarding the Contract</u>:

i) This is a Rate Contract. The amount put to tender is the approximate cost of preventive and breakdown maintenance to be incurred in East Circle area during the contractual period.

ii) Any other Electrical and/or civil works including supply and erection/repair which are not included in the award but are necessary to complete the work shall be executed by the successful Agency on recommendation of the Engineer-in-charge as well as approval from the competent authority at prevailing Schedule of Material / Labour rate (Including loading factors + approved tender premium) and shall be considered to be included in the scope of the work. If the SR rate is not available, then mutually agreed rate shall be considered.

iii) The Bidders shall quote per RMU preventive / breakdown maintenance charges irrespective of configuration of RMU i.e., the rates quoted for preventive / breakdown maintenance of 3 Way, 4 Way, 5 Way etc., are same.

However, while making payment for the preventive / breakdown maintenance carried out on 1 OD or 2 OD's, the approved Per Panel RMU preventive / breakdown maintenance charges is to be multiplied by 1/3rdin case of 1 OD's and to be multiplied by 2/3rd in case of 2 OD's.

iv) Individual feeder wise / Section wise work award will be issued to the successful agency by the Executive Engineer (Ele.,) of respective C, O&M Division. The same should be issued by 7th of every month.

v) The work awards/orders will be issued by the concerned Executive Engineer of the Division, BESCOM, as per schedule to carry out preventive maintenance and as per requirement whenever there

is breakdown of RMU using the rates as per schedule to the successful Bidder.

vi) The sum of the individual awards of the RMUs maintenance contract award is limited to total awarded cost of the maintenance contract.

2.0 The interested Bidders may obtain further information from the office of the **Chief General Manager (Ele.,), Procurement, 2nd floor, 2nd Block, Corporate Office, BESCOM, K.R. Circle, Bangalore - 560 001**. Issues on which clarifications are sought by the Prospective Bidders shall be submitted in writing to the **Chief General Manager (Ele.,), Procurement**, 2nd floor, 2nd Block, Corporate Office, BESCOM, K.R. Circle, Bangalore - 560 001 on or before the **19.02.2026 @ 10:30 Hrs**. **Letters seeking clarifications received subsequent to THE ABOVE date will not be entertained.** Interested Bidders may also submit online queries through the e-procurement portal **ON OR BEFORE 19.02.2026 @ 10:30 Hrs**.

The Pre bid meeting is convened on 19.02.2026 @ 11.00 Hrs at "O/o the Chief General Manager (Ele.,), Procurement, 2nd floor, Corporate office, BESCOM, K. R Circle, Bengaluru-560001. Aspirant Bidders may attend the meeting for any clarification.

2.1 The queries shall be dealt in the pre-bid meeting. Based on the outcome of the pre-bid meeting at any time prior to the deadline for submission of the bid (technical and financial proposals) or extended date, if deemed necessary, BESCOM reserves the right to add/modify/ delete any portion of this document by issuing an addendum or Corrigendum or clarification and they shall form part of original tender document. These addendum or Corrigendum or clarification will be uploaded in e-procurement portal and such amendment will be binding on the Bidders.

3.0 As stated in Clause 1.0 supra, the Bids are invited and to be submitted through electronic mode i.e., through e-procurement portal only. The Bid Notification, Bidding Documents along with materials specifications &

Drawings are available on website **https://kppp.karnataka.gov.in.** The Bidders can download the tender documents from the e-procurement/KPP portal (www.kppp.karnataka.gov.in) from **11.02.2026 onwards at free of cost**, last date & time for submission of Bid **12.03.2026 at 17:00 Hrs** and the techno-commercial bid will be opened on **13.03.2026 at 17.15 Hrs.** In addition, when submitting bids via the KPP portal, an e-procurement tender processing fee must be paid on the KPP portal **https://kppp.karnataka.gov.in.**

4.0 Tender Processing Fee and Bid Security (Earnest Money Deposit):

4.1 Tender processing Fee means the non-refundable fee specified by the competent authority (e-Governance) to be paid by the individual Bidder for participation in tenders floated on the Karnataka Public procurement portal

4.2 Earnest Money Deposit (EMD) details is brought out at clause 19.0 of ITB.

5.1 (a) Bids shall be submitted in two parts viz.,
(1) Techno -Commercial Bid and
(2) Price Bid, both on Electronic document Mode.

Manual bids will not be accepted.

(b)Separate document Files have been specifically created for uploading the qualifying documents such as:

i. Valid Class-1/Super grade Electrical Contractor's license issued by Electrical Inspectorate, GOK
ii. Detailed Work Award, Completion certificate and Performance Certificates.
iii. Works on Hand i.e., existing commitments and on-going works to be completed during the next 1 year.
iv. Audited financial statements (Audited Profit & Loss Statements & the Balance sheets).
v. Liquid Assets details.

vi. Certificate of Incorporation/Memorandum of Association/ Articles of Association of the company in case of Registered Companies under companies act/ Partnership deed in case of Partnership Firm.

These Qualifying documents are to be uploaded to the respective files only, IF ANY OF DOCUMENTS ARE UPLOADED TO THE FILE OTHER THAN THE SPECIFIED FILES, SUCH DOCUEMNTS WILL NOT BE CONSIDERERD FOR EVALUATION. If any of the points are not applicable to a particular Bidder, then such Bidders have to upload a document stating "Not Applicable". The other documents if any which needs to be uploaded by the Bidder for which no specific files have been created to substantiate or to meet the requirements of the Bids, such additional documents may be uploaded in the folder named as "additional documents" in the e-procurement portal.

6.0 Bidders can upload the bids on to e-procurement portal **before 17:00 Hrs of IST on 12.03.2026.**

7.0 The Techno-Commercial Bids will be opened **at 17:15Hrs of IST on 13.03.2026.**

8.0 The Price Bids of those Bidders whose Techno-Commercial Bids are found **Responsive,** will be opened at a later date in the e-procurement portal and no separate intimation will be communicated.

NOTE: The Price Bids of Non - Responsive Bidders will not be opened.

9.0 The Bidders shall provide proof of their credentials in support of their Technical capacity, Financial Strength and Past Experience. All Certificates in connection to the works shall be issued by an officer

not below the rank of Executive Engineer/DGM of the concerned utilities duly mentioning the quantum of works, value of award, place of work, DWA reference, date of completion & commissioned. All certificates will be authenticated from the issued authority, if required.

10.0 Bangalore Electricity Supply Company Limited takes no responsibility for delay, due to any cyber or any other computer related problems or postal delay. Further, BESCOM reserves the right to reject any or all the Bids without assigning any reasons thereof and shall bear no liability whatsoever consequent upon such a decision.

The Bidder is required to ensure browser compatibility of the computer well in advance to the last date and time for receipt of tenders. The department shall not be responsible for non-accessibility of e-procurement portal due to internet connectivity issues and technical glitches.

11.0 QUALIFYING REQUIREMENTS:

The essential minimum qualifying requirements are as under:

Sl. No	Qualifying Requirements	Documents to be uploaded
I	Technical and General criteria	
1	The Bidder should be in existence as any of the following: (a) Company incorporated in India under the Companies Act, 1956/2013 Including any amendment thereto; (b) LLP incorporated in India under the Limited Liability Partnership (LLP) Act, 2008 including any amendment thereto; (c) Partnership Firm under Partnership Act, 1932 in India; (d) Sole Proprietorship Concern	a. In case the Bidder is Registered company incorporated under Companies Act, 1956/2013 the Bidder has to upload the following documents: *i. Certificate of Incorporation issued by Registrar of Companies as per Companies Act 1956/2013 along with Memorandum of Association and Articles of Association of the Company.* *ii. Declaration from Directors of the Company stating that they are not disqualified to be a Director of the Company along with the list of Companies in which they are Directors as on the date of*

Sl. No	Qualifying Requirements	Documents to be uploaded
		inviting tender(s). b. In case the Bidder is LLP incorporated in India under the Limited Liability Partnership (LLP) Act, 2008 the Bidder has to upload the following documents: *i. Certificate of Incorporation issued by Registrar of Companies as per LLP Act 2008.* *ii. Limited Liability Partnership Agreement of LLP.* c. In case the Bidder is Partnership Firm under Partnership Act, 1932 in India then the Bidder has to upload the following documents: *i. Partnership Deed, GST Registration Certificate.* *ii. Shops & Establishment Registration Certificate, as applicable.* d. In case the Bidder is Proprietorship Firm 1. *PAN/GST Registration Certificate*
2	The Bidder should have minimum 5 (Five) years' experience in repair and Maintenance of RMUs in DISCOMs/Govt. Electrical Utilities as on the date of bid submission.	Scanned copy of Work award copies issued by an officer not below the rank of Executive Engineer or equivalent officer of the concerned DISCOMs or Govt. Utilities shall be uploaded. Note: Purchase Order/Work Award copies issued prior to 01.10.2020 shall be uploaded to establish minimum 5 years of experience.
3	The Bidder should possess a valid Super Grade/Class-1 Electrical Contractors License issued by Electrical Inspectorate as on the date of Bid Submission.	Scanned copy of Valid Super Grade/Class-1 Electrical Contractors License shall be uploaded.

Sl. No	Qualifying Requirements	Documents to be uploaded
4	The Bidder should have satisfactorily completed at least One Electrical work involving RMU Maintenance for not less than 50% of the Amount Put to Tender in DISCOMs or any Government Electrical Utilities or PSUs in any one year of the preceding 5 (Five) Years (FY 2020-21, 2021-22, 2022-23, 2023-24 & 2024-25) as on the date of Bid Submission. Note: The value of the completed works shall be given a weightage of 10% per year to bring them to the price level of the FY in which the tenders are invited.	Scanned copy of the Satisfactory work completion certificate issued by an officer not below the rank of Executive Engineer or equivalent of DISCOMs/Govt. Electrical Utilities shall be uploaded.
5	The Bidder should have successfully executed the work of Maintenance of different makes of RMUs for a minimum of 80% of the proposed RMUs in similar nature of tendered work in any one year of the preceding 5 (five) years (FY 2020-21, 2021-22, 2022-23, 2023-24 & 2024-25) in DISCOMs or any Government Electrical Utilities or PSUs as a prime contractor, as on date of bid submission.	Scanned copy of the satisfactory Work completion certificate duly indicating the number of RMUs maintained, issued by an officer not below the rank of Executive Engineer or equivalent officer of the concerned DISCOMs or any Government Electrical Utilities or PSUs shall be uploaded
II	Financial Criteria	
6	The Annual Turnover of the Bidder in at least two financial years should not be less than two times the amount put to tender in any of the previous five financial years i.e., (**2020-21, 2021-22, 2022-23, 2023-24 & 2024-25**). ***Note:*** Updated to the FY in which the tenders are invited. Financial turnover of previous years shall be given a weight of 10% per year to bring them to the price level of the	Scanned copies of the audited Annual Accounts statements such as P&L statement, Balance sheets with UDIN of CA for the respective FYs shall be uploaded.

Sl. No	Qualifying Requirements	Documents to be uploaded
	FY in which the tenders are invited.	
7	The Liquid Assets as on last day of previous month or at a later date before submission of the bid consisting of Cash at Bank plus Term Deposits plus availability of fund based credit facility in any Nationalized or scheduled commercial Bank shall not be lesser than 25% of the amount put to tender.	If the Bidder has banking with more than one Bank, then the available liquid assets balance on a particular date i.e., as on last day of previous month or any date before submission of bids shall be the same date for all the banks. The details shall be supported by a certificate issued by any Nationalized or Scheduled Commercial Bank with whom the Bidder is having banking facilities. In case of Fund based credit facility, the certificate should have the sanctioned limits, funds utilized so far and balance available as on last day of previous month or at a later date, before submission of the bid shall be uploaded.
8	Bidder who meets the above criteria, will only be qualified, if their available tender capacity is more than the total tender value. The available tender capacity will be calculated as under: Assessed available tender capacity = (A*N*1.5-B) Where, A= Maximum value of works executed in any one year during the last five years (updated to FY 2025-26 price level), taking into account the completed as well as works in progress, N= Number of years prescribed for completion of the works for which tenders are invited. B= Value, at FY-2025-26 price level, of existing commitments and on-going works to be completed during the next 12 months	The statements showing the value of existing commitments and on-going works as well as the stipulated period of completion remaining for each of the works as per the format prescribed in the Techno-Commercial sheet shall be uploaded. The bidder shall note that the value of pendency of work should be considered based on financial progress achieved in the particular work as on the date of bid submission. The statement should be certified by n officer, not below the rank of Executive Engineer.
III	General Criteria:	

Sl. No	Qualifying Requirements	Documents to be uploaded
09	Even though the Bidders meet the above criteria, they are subject to be disqualified if they have: i) made misleading or false representations in the forms, statements and attachments submitted in proof of the qualification requirements; and/or ii) record of poor performance such as abandoning the works, not properly completing the contract, inordinate delays in completion, litigation history, or financial failures etc.; and/or iii) Participated in the previous Tender for the same work and had quoted unreasonably high tender prices and could not furnish rational justification. iv) Black-Listed due to non-performance in execution of works by any Public Electrical Utility/Govt. utility as on date of bid submission. v) Defaulted/short closed due to non-performance in execution of works against the order placed any Public Electrical Utility/Govt. utility as on date of bid submission.	Self-declaration in the prescribed format as per Annexure on Rs. 500/- notarized stamp paper shall be uploaded.
